

CRAIG BAY RESIDENTS' ASSOCIATION

AFFINITY PROGRAM SPONSORS

The purpose of the CBRA is to protect, advance and represent the interests of Craig Bay Estates in connection with matters related to property taxation, the effects of current or proposed laws and regulations, environmental issues and such other matters which may affect the residents of Craig Bay Estates in relationship with local, provincial and Federal government bodies.

The CBRA began the Craig Bay Affinity Sponsor Program to encourage new residents of Craig Bay to support Oceanside Businesses. Since we are now a community of more than 400 homes, we represent a significant consumer base. When we present our CBRA membership cards to an Affinity Sponsor (listed below) we are rewarded for our support by receiving a discount. Membership cards are available from the Beach Club office. There is no cost for the cards.

***New Sponsors**
